

Arlington, MN-July 7, 2007-Advance Auto Parts sponsored a great night of racing for the lucky 7 night at the Arlington Raceway. The number 17, Mike Westphal from LeSueur picked up his first feature win of the season by staying out of trouble in the Liberty Station Hobby A feature. Westphal took the lead right off at the drop of the green flag but by lap 8 Rodney Manthey of Norwood had gained control of the race. A yellow came out when Manthey got pushed off the track losing the lead and putting him in the work area. When the race restarted, Westphal had the lead again but he too got a little nudge coming out of turn #4 causing him to spin out. A yellow flag was thrown again, Westphal was given his spot back and went onto win the race. Patrick Kohn of Hutchinson took 2nd ahead of Dave Moriarity of Jordan.

The Blue Sky Creamery WISSOTA Midwest Modified feature was once again won by Darrell Torgerson of Mankato. Tyler Limoges of Redwood Falls gave him a run though as he battled throughout the race to gain the lead but settled for 2nd ahead of Randy Schumm of Rogers.

The Annihilator IMCA Stock Car feature was once again a great race with 3 wide racing around the track. The 34s and 34 cars of Jesse Anderson of Winthrop and Todd Sterner of Winsted took turns being the leader for the first few laps of the race until a yellow flag was thrown when John Polifka spun in turn #4, Polifka retired to the pit. When the race restarted, Shaun Bruns, the #71 of Danube worked around the 34 cars and took the lead and remained the leader for the rest of the race. There was a last lap crash in turn #2 when Brent Uecker of Hutchinson and Brent Reiersen of Arlington collided in turn #2, they had been running 2nd and 3rd but both fell back substantially. Joe Voss of Belle Plaine then gained the 2nd spot and Dan Mackenthun of Hamburg took 3rd.

In the U.S. Army IMCA Sprint class rookie Shannon Erickson of Lakeville got a great lead ahead of Dan Grams of Gaylord to lead the race. A yellow was thrown when Jason Tostenson of Gaylord blew up his engine and stopped off of turn #4. When the race resumed, Grams had also returned to the pit with engine problems. At the drop of the green, Erickson once again took off ahead of Brett Allen of Kasota. Allen worked hard to gain on him but didn't have enough time and Erickson picked up his first feature win. Allen took 2nd ahead of Jesse Smith of Mankato.

The 93 KXLP IMCA Modified feature was a great race. Jeff Feil of Nicollet was the early leader but Clint Hatlestad of Glencoe got around him in turn #2. Then Feil had to contend with Larry Revier of Olivia for several laps. Finally Revier took the high side and he too passed Feil. Revier then challenged Hatlestad but he settled for 2nd ahead of Feil. Hatlestad, the #74 car won his for the second week in a row.
