

Redwood Falls, MN (July 8, 2007)-There was some new cars in victory lane for the Arneson Distributing Redwood County Fair Races on Sunday, July 8th. Matt Speckman from Sleepy Eye led the first 8 laps of the Nelson Towing Bomber feature until Jayson Firlle from Fairfax who started 7th challenged Speckman. He got by him when they were working around lapped traffic. Firlle only led 2 laps of the race as the 21j of Jeremy Minkel from Olivia got around him to gain the lead and that is where he stayed for the remainder of the race to win his first feature of the year. Shane Heiderscheidt of Sleepy Eye took 2nd and Lyle Heiderscheidt of Sleepy Eye took 3rd.

Randy Horejsi of Redwood Falls led the first lap of the Liberty Station Hobby Feature but for only one lap as Rod Manthey was able to secure the lead on the 2nd lap and remain the leader in the flag to flag race for the duration to win the feature. Horejsi settled for 2nd ahead of Patrick Kohn of Hutchinson.

The Blue Sky Creamery WISSOTA Midwest Modified feature was led by three different leaders as Jesse Trebil from Atwater led the first 3 laps but fell back with troubles. Then the lead went to Justin Remus of Sleepy Eye. Remus was then challenged by Tyler Limoges of Redwood Falls and lost his momentum on lap #8 and Limoges took over the lead and went onto win the race. Remus then spun out and had to join at the back of the back. Brandon Nelson of New London took 2nd and Dan Menk of Franklin took 3rd.

The Annihilator IMCA Stock Car feature saw three different leaders with Wally Hustad of Belview leading the first 7 laps until Rick Mees of Mankato got around him and took the lead but that only lasted for 4 laps until Shaun Bruns of Danube got around him to take the lead and remain ahead of Mees for the remaining 4 laps. Dan Mackenthun of Hamburg took 3rd.

The U.S. Army IMCA Sprint feature was won by rookie Troy Manteufel of St. Peter. He led from start to finish. There was a red flag on the first lap when Luther Roberts of Mankato and Mike Sargent of Cleveland collided next to the wall. Both cars were out of the race. Once the race restarted, Manteufel once again got a great lead; Brett Allen of Kasota took second ahead of Curt Lund.

The 93 KXLP IMCA Modified feature was led by Chris Neisen of Arlington for 2 laps until he spun out causing a yellow flag. When the race restarted Jeff Feil of Nicollet led for the next two laps but lost the lead to Curt Lund who had started in 10th place. He stayed out front to win the race with Feil taking 2nd and Jeff Maasch of Vesta taking 3rd place.
